

## ***Information on Blood Donation***

*We are currently going through unprecedented times and we need to ensure that we have blood and platelet products to treat patients in need. Blood donation is classed as essential travel we are therefore reaching out to everyone who is fit and well, where possible to attend their nearest donation clinic, we need donors to save lives”*

We have set up regional donation hubs , therefore your regular place of donation may no longer be available and you may have to travel further than you would normally.

In May, you can donate at Ystradgynlais Welfare Hall, to check dates and times and to book an appointment click on the link <https://wbs.wales/YstradTCAW> or call our Contact Centre on 0800252266

We need your support more than ever. PLEASE SHARE

For more information on donating at this time, please click on the link.
