AGENDA

1. Apologies for Absence

2. Items for consideration received from the Chairman/Vice Chairman and Clerk:

a) To consider and approve, subject to External Audit, the Town Councils Accounts and Annual Return for the financial year 1st April 2019 to 31 March 2020. Documents to follow by email.

b) To discuss matters relating to the Town Councils Annual General Meeting for the Municipal year 2020/21.

3. To confirm and sign the Minutes of the Town Council Meeting held on the 5th March 2020 and to receive any matters arising.
Document to follow by email.

4. Items for consideration received from Cllr R Millington and Cllr R Lock:

a) Discussions / Action on the national media report listing Ystradgynlais as a depressed area that will be most severely impacted by the current Crisis. Should we be refuting this with examples and / or using this as a vehicle to appeal to PCC for additional support as we are the only region of Powys listed?

b) Refusal of license for the operation of Nant Helen by the WA. A significant impact locally as coaling was expected to continue until the end of next year?

c) Public Footpath Access to Coronation Park from the Haul Road. Residents are increasingly complaining about the works, destruction of the area of common land and refusal of access by the owner. As time passes the situation develops further.

d) Welfare Sports Grounds. Update as to progress with only one year remaining and possible Council actions and potential future financial implications.

e). Parking - Free parking is being provided by many County Councils to assist with recovery. PCC have announced a limited 2 hrs free. Should the council be making representations to PCC to make this permanent.
